ONE OF OUR NEW
Hollow Wire Lamps

Adam Forepaugh & Sells Bros. Shows,

Columbus, O.

Gentlemen:-

Yours of the 21st inst. duly received.

In reply will state that the cost of six of the Four Light Systems, the same as delivered to you in Michigan last Season, will be \$70.00 each. In the event that you desire using them in the open air, we would advise your adopting the design as per enclosed. This Beacon is protected from the wind, and rain, in fact will stand any kind of weather. The cost of this light is \$75.00 each. We can make delivery in three weeks time.

Trusting to be favored with your order, and we would suggest that you place the same as soon as possible, as the Shows all open up on or about the same time, we expect a rush.

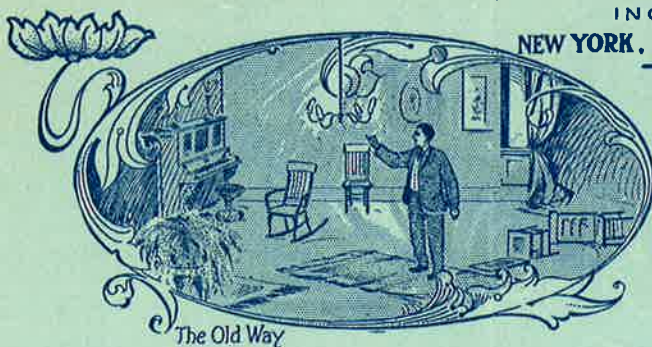

Yours very truly,

The Bolte & Weyer Co.,

J. J. Weyer Secy.

Our Gas Burners

ARE BEST OF ALL

Our Guarantee

Any Mantle bearing our name and seal, if properly used, is not only guaranteed to burn longer, but to give a higher candle power, a brighter incandescency and absolutely not to shrink or break at top.

We make the very highest class Gas Mantles made, using the rarest Earths mined in their manufacture. More monazite and platinum is consumed by our company yearly in the making of the oxides of Thorium and Cerium than all the rest combined.

Purchasing Dept:-
Gentlemen:-

We are in a position to offer you our New Non breakable Gasoline Gas mantles at a lower price than you formerly paid for the old kind, These goods can be carried to several different towns with little care and are more brilliant than the old kind, They would under ordinary conditions last a year, as they are soft and pliable after being burned off but they of course will not stand to be handled too roughly, The price for same is 14¢ in orders of 1000 larger orders 13¢ Delivered any part of the Country, Kindly let us hear from you,
Yours very truly,

Diet J.P.G.-M
