

- Gels may need to be changed after the rehearsal as I haven't all the songs
- Please place all scrollers/ movers in the second universe
- All lights in the ground row need floor bases and top hats if applicable
- Hang S4s with I-Cues on them under the I-beams on unistrut as far DS as possible, be sure to include the DMX iris and Apollo scrollers
- Wybron's with standard scrolls are used on other lights
- Please ensure that the Mac 700s on the Fred have full range of motion
