Choose a layout based on your text:

- *Most, not all, styles can use 7 letters per line.
- *Most styles must use an ampersand.
- *All text must be stacked 1-2 lines for styles with larger graphics.
- *All dates must be represented numerically.
- *All styles can be modified as a monogram.
- *Some graphics/text placement may be slightly modified.

Samples of layouts: *Note ideas for modifications made to accomodate the smaller image areas

*Used heart in place of ampersand

*Initials used in place of names

*Graphics are centered

*Names are stacked

*No date

*Only 2 lines of text are possible
