

Channels	1:Scroller, 2:Fans
User Notes	Some models allow 32 colors on the scroll, others only 24 colors Personality for scroller if DIP switch 4 set to Remote on the scroller power supply
Known Issues	Unsure what DIP switch 3 does "Channel Range".

Manufacturer	Wybron
EOS Name	CXI_Scroller_Index_MSpd
Carallon Name	CXI Scroller Index Mode Mspeed
Revision	1 (19 Aug 2008)
Details	[DMX Tested] [DMX Footprint 2]
